

Floden Farm STUD SERVICE CONTRACT

This is to certify that the stud dog:

___ Rippling Run Floden's Teutorix, AKC#: SR47092903

___ Floden's Scout of Honor, AKC#: SR88715201

was bred to the bitch: _____,
AKC#: _____, on the following
date(s): _____, and said bitch is due to whelp on or near the
date(s): _____.

Conditions of Service:

1. The stud fee for this mating is \$800.00 as a result of this mating, or the value of one puppy, in the case of stud owner taking pick of litter in lieu of a stud fee.

The fee is payable at or before the time of mating by cleared check, cash, or Paypal.

The fee is payable immediately after puppies are whelped, at which point the number of live puppies within a litter are determined and a prorated or full stud fee rate is determined.

The fee will be fulfilled by the selection of a puppy from the resulting litter as agreed to by both parties.

Terms of selection are as follows:

2. All fees are payment for the stud service only and are not to be construed as a guarantee of puppies to mature. If, however, the bitch fails to whelp or whelps fewer than four (4) living puppies at birth, the owner of the bitch must notify the stud dog owner not more than 65 days after the date of the last mating. If one puppy is born, 1/4 of the stud fee shall be paid (\$200). If two puppies are born, 1/2 of the stud fee shall be paid (\$400). If three puppies are born, 3/4 of the stud fee shall be paid (\$300). These lesser amounts are in direct proportion to the stud fee of a full litter of four or more puppies (\$800), in which the full stud fee (see Conditions of Service, 1., above) shall be paid. If no live puppies are whelped, the bitch owner receives a refund of any stud fee paid and has the option of attempting to breed the bitch again with the sire on the bitch's next heat. A partial, prorated stud fee refund in the case of a partial litter as outlined above shall be promptly paid to the bitch's owner.

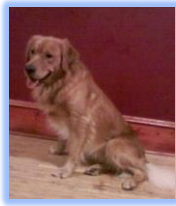

3. Owner of the bitch agrees to keep the bitch confined and inaccessible to all other male dogs from the start of her heat cycle until the bitch is fully out of heat.

4. Owner of the stud dog agrees to keep the bitch to be bred confined and inaccessible to all other male dogs until the bitch has been bred and returned to her owner.

5. Reasonable care will be given to the bitch while in the possession of the stud dog owner. Any veterinary fees incurred during this time are the responsibility of the bitch owner.

6. Bitch owner assures that the bitch has current vaccinations and has been dewormed prior to mating.

7. The following items are needed prior to or at the time of service:

Photocopies, emails of or access to electronic formats of:

- AKC Registration Number
- Four (4) Generation Pedigree (to help determine Coefficient of Inbreeding)
- Current Negative Brucellosis (within 14 days prior to mating)
- Hip Clearance information (OFA number for online verification at www.offa.org is sufficient)
- Health Certificate (if required for shipping)

Additional terms:

8. It is specifically agreed that the stud dog owner is not obligated to sign the application for registration of this litter until the stud fee has been paid in full or, in the case of a puppy fee, the stud owner has possession of the puppy or puppies as agreed. Nor is the stud dog owner required to sign the litter application if any of the conditions in this contract have not been followed or if there is a question as to the parentage of the resulting puppies.

9. Transportation of the bitch to and from Floden Farm is at the cost of the bitch's owner. Floden Farm agrees to provide round-trip transportation to and from MSP or FAR airport at the cost of \$50 prepaid by the bitch owner to stud owner, if needed.

10. Should a bitch need to stay longer than 4 (four) days at Floden Farm, a boarding fee of \$20/daily shall be paid by the bitch's owner. Bitch's owner shall pay any and all boarding fees within 30 days of invoice. Floden Farm has the option to apply reasonable interest and/or administrative charges for the time and cost of rebilling to invoices exceeding 30 days. Bitch owner may also bring bitch to/from Floden Farm for breeding at agreeable times if boarding is not preferred.

11. Floden Farm may post listings on its website to help spread the word about upcoming litters, however bitch owner agrees and understands that such referrals are not the sole means to finding homes for their puppies produced.

We have read and understand the conditions of this contract. Any/all fees incurred in the enforcement of this contract shall be borne by the party in default. By our signatures we agree to these conditions and acknowledge having received a copy of this contract.
